## EXTERIOR

1. Front Brick & Mortar
  - a. Note this will also be any fireplaces in the home, so make sure it will match what your interior colors are planning for
2. Paint:
  - a. Siding
  - b. Shake or Board & Batten
  - c. Trim
  - d. Shutters
  - e. Front Door
  - f. Metal Roof
  - g. Window Sashes
  - h. Garage Door
3. Gutters & Downspouts
4. Cedar Accents

There are color packages you will be using to choose these from that were custom designed by the decorating team at our main office. Some options above may not be available for every floor plan and at every community.

### TIP:

Most buyers find this part very challenging and the best way to choose an exterior of your new home is to drive around the community and find a home with colors you really like.
